
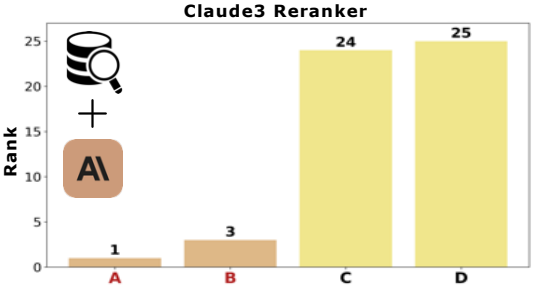
Q:

Are there any Physics research papers from École nationale d'ingénieurs du Val de Loire that discuss nonlinear modeling of piezoelectric elements?

Ground truth: [A , B]



Title: Modelling nonlinearity in piezoceramic transducers: …

Abstract: Quadratic nonlinear materials … weak nonlinearity … nonlinear response … nonlinear equivalent electrical circuits

Institute: École nationale d'ingénieurs du Val de Loire ✓

Cites paper: 1. … fouling in a planar setup … 2. Second order ultrasonic guided wave mutual interactions …

(0 cited paper has related key words)

A

Title: Modelling of hysteretic behavior of piezoceramic materials under electrical loading

Abstract: … piezoceramic materials … deformation of piezoceramics …

Institute: École nationale d'ingénieurs du Val de Loire ✓

Cites paper: 1. Ultrasonic characterization of electrochemically etched porous silicon

(0 cited paper has related key words)

B

Title: Nonlinear optimization of acoustic energy harvesting using piezoelectric devices

Abstract: … piezoelectric inserts … nonlinear processing … piezoelectric actuators …

Institute: Institut national des sciences Appliquées de Lyon ✗

Cites paper: 7. … piezoelectric conversion … 9. … piezoelectric vibration …

(2 cited papers have related key words)

C

Title: Nonlinear piezoelectricity in … Modeling and experimental identification

Abstract: … model for … nonlinear piezoelectric … linear piezoelectric modeling … nonlinear coefficients

Institute: University of Michigan ✗

Cites paper: 1. … nonlinear piezoelectric vibrational … 2. … piezoelectric energy 4. … piezoelectric …

(15 cited papers have related key words)
