Task

Input image

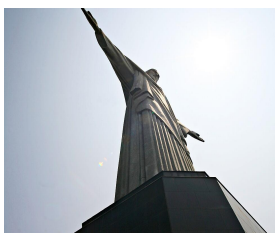

The image points to a country. In that country, find the navigational aid in the state whose capital was founded in the mid-16th century and later recaptured. It has the same light pattern as a Green Bay lighthouse, and is equipped with a large lens and radio guidance. What color pattern appears on its tower?

Displayed reasoning path

image/title → Brazil → text search → Bahia → summary → Abrolhos → image check → stripes
